Reminiscing on March

March has felt like one of the most normal months we have had in a year. Residents are getting to visit with their family members and many fun activities are taking place. This month we did numerous things from Popcorn Socials, St. Patrick's Day Party, Happy Hour, Bingo, Creative Coloring and many Crafts. We are looking forward to the Spring months ahead.

Family Visits

Don't forget you are now able to visit with your loved ones. You do not have to call ahead anymore to schedule visits.
