

# The Haven Newsletter

April 2021

## A Look Back at March

March was a good month for our residents here at The Haven, we celebrated St. Patrick's Day with a party. We have also seen some of the restrictions lifted regarding the Covid-19 pandemic. Our residents are now able to see family members more often. We have started seeing warmer weather and soaked it up out on the patio. We played indoor bowling and made Easter bunny's out of eggs. In March we celebrated Anna Collins birthday with cupcakes.

## Looking Forward to April

We have lots of exciting new things coming in April. We will be having a different food social event each week, including an ice cream social. As well as parties to celebrate Easter, Pretzels, and National Jazz Day. We are working to incorporate new activities for our residents to enjoy and to promote movement, social interaction, physicality, artistry, as well as memory. In addition to all the new activities we have planned, April also sees us a new Activity assistant for The Haven. Her name is Amanda, she is very excited to take on this new role and is here for any questions.

### Important Days to Note

4/2 Easter Party	4/14 Ice Cream social
4/8 Muffin Social	4/19 Donut social
