Be Kind

Be Thoughtful

Be Genuine

But most of all,

Be THANKFUL

RESIDENT & EMPLOYEE SPOTLIGHT

Thomas McCollough

Thomas has lived at Massey Springs since December 2013. This year is the 10th anniversary of having his kind spirit here at Massey. He was born in Chicago Illinois, where he went to a foster family after birth. He was adopted by his foster family at the age of 28. He attended WKU where he obtained an associate degree in liberal studies. He met his lifelong friend Garth of 40 years through his frat at Western. Tom enjoys watching wrestling, mystery shows, and listening to rock. He loves the friendships he has made here at Massey most of all. We've enjoyed every moment of getting to know Tom over the past 10 years.

Beverly

Beverly was born in Logan County KY. She now lives in Butler County on her family farm where her and her family raise cows. She has been married for 27 years. She has 5 kids and 6 grandchildren. Beverly loves to shop and travel all over but her favorite spot to be is the Smoky Mountains. She also loves to cook and try new recipes. She dreams of opening her restaurant one day. Beverly has the kindest soul. Every year she finds someone in need to help especially around the holidays. This past year she provided 13 foster kids with clothing. Her generosity also extends to her residents here at Massey. Any resident in need isn't in need for long when Beverly is around. She loves working in this kind of environment. She has been in this line of work for 31 years. Thank you, Beverly, for 10 years of hard work here at Massey Springs.
