SPOTLIGHT

Rosa Hughes:

Rosa has been apart of the Massey Springs family since January of 2023. Rosa and her husband were married for 69 years. They built a beautiful family of 2 sons, 4 grandchildren, and 7 greatgrandchildren. Rosa and her husband owned a farm. She stayed home with the children and helped with the cows. She had a garden that she canned many goodies from. A fun fact about Rosa is on their 50th anniversary she took her first plane ride to Florida. She also has visited Niagara Falls and went under the falls while keeping her hair perfectly intact. She was a quilter and baker. Her pecan pie and yeast rolls were a very hot demand by everyone in the county.

Clifford Manning:

Clifford has been apart of the Massey Springs family since 2017. He is one of the only maintenance men that knows each resident by name and spends time with them when he can. Him and his wife have been married for 34 years. They have 3 sons and a daughter. When Clifford isn't at work you can usually find him fishing or out hunting. His favorite thing about working at Massey is the residents and putting smiles on their faces.
