SPOTLIGHT

LUKE WALTERS

Luke has been a part of the Massey Springs family since he moved in with his father Garland in 2021. Luke has 3 brothers and a sister. He is the baby of the family. He attended Hart County High School with his niece Amanda. Luke worked at McDonalds when he was younger. He loved to play cards with his dad and family. Luke and his dad lived in Vegas for some years soaking up the sun, swimming in his pool, and going with his dad to play cards. Luke is a ray of sunshine here at Massey Springs. We look forward to many more memories with our sweet Luke.

KAYLA GOODMAN

Kayla is our Resident Services Director. She has been a part of the Massey Springs family since 2019. She's been married for a little over a year to her husband Luke. They have been together for 6 years. They have a fur baby together named Harper. Kayla loves to shop, going to the lake, and spending time with friends/family. She loves being a part of the Massey family because she gets to know all of her residents stories and hear all of their many memories. Kayla has a big heart and will always help where she's needed. We are very grateful to have her here and are excited to build many more memories over the years to come. Thank you Kayla for all that you do!
