

Massey Springs Senior Living

November 2024 Newsletter

Last Month's Highlights

Last month we had another successful Halloween with our annual Trick or Treat! Our theme this year was Great Gatsby and the residents absolutely loved it. Now that we have transitioned into the fall and our days are a little cooler we have finished our outside activities for the most part. The holidays are right around the corner, so if anyone would like to gift our amazing employees this year please ask Abby about our "Thanks Program". We the staff here at Massey Springs go all out for the holidays so get ready for all the Massey fun to come in the next couple months.

Upcoming Events

Election Day: Nov. 5th
Veteran's Day: Nov 11th

Resident Family Dinner: Nov. 26th
at 5:00PM. \$8 per guest plate

Resident Spotlight: Doris Elmore

Massey Springs Senior living has gained a new face and new family member all in one. Mrs. Doris Elmore is from Bowling Green, Ky and has two children, three grandchildren and two great grandchildren. Mrs. Doris' mother Dorothy Davis lived here at Massey Springs Senior Living for three years. Mrs. Doris used to visit her here quite often which is why she made the decision be a part of our community now. Mrs. Doris loves to be outside. She is an outdoors-woman. She loves nature and everything that comes with it. We are so happy to have Mrs. Doris among our Massey Springs family.

Meet the Staff: Demetria Jackson

This month at Massey Springs Senior Living we would like to introduce our new Activity Director Demetria Jackson. Our Residents like to call her "Mimi". Mimi is not a new face to Massey Springs but new to our Assisted Living. She is coming from our Haven Memory care unit. Mimi has been a residential aide for over 14 years and absolutely loves what she does and does a fantastic job. She is from Bowling green and has three children of her own and is currently in school for social work at SKYTCS. We are so excited to have her as a part of our team!
