

# DECEMBER 2024

## Massey Springs Senior Living

### Looking back on November

We had a lot of fun in November. We celebrated our two Holiday's Veteran's Day and Thanksgiving. On Veteran's day we recognized our Veteran's with a ceremony and certificate of appreciation for their service. We had a lot of new activities this month and we had a blast. We took some of our residents to vote, and we hosted our annual Thanksgiving family dinner. This has been such a fun month. We can't wait to see what December has in store for us!

Birdie was born in Stanford Ky. She raised five children, three boys and two girls. She has 18 grandchildren and 22 great grandchildren. She was married almost 50 years. Birdie moved to Scottsville, KY when her husband started practicing medicine. She was interested in the community so she joined the council committee for 13 years and then ran for mayor and became the mayor of Scottsville, KY in the early 90's. Birdie enjoys getting out and enjoying the country side. She also loves to spend time with her family, she says there is never a dull moment with them, and they keep her young. Birdie is a pleasure to have at Massey Springs.

### **Employee Spotlight: Brittany Cornwell**

Brittany Cornwell is our employee spotlight for the month of December. She is not new to Massey Springs, but she is new to our Assisted Living. She was Resident Assistant in our Memory Care. Brittany enjoys listening to Taylor Swift, watching the Kansas City Chiefs, and spending time with her husband. Brittany loves coffee! She is originally from Central Michigan. She is an aunt, and enjoys weekly facetimes with her family back home. Brittany says she loves working at Massey Springs because there is never a dull moment and her residents keep her on her toes. We are so thankful to have Brittany as a part of the Massey Springs family. She is a very dedicated, and hard working employee and our residents love her.
