

MARCH 2025 NEWSLETTER

Massey Spring Senior Living

We had a fantastic and eventful February, filled with memorable moments and exciting activities.

One of the standout highlights of the month was our grand Valentine's Party and Dinner. We kicked off the day with a lively party alongside our residents, which transitioned into an evening dinner. The Junior Beta young men from South Warren graciously served dinner and treats for us. Wonderful entertainment was provided for us by our new resident, Pearl Taylor's Granddaughter Kelly.

In addition to the party, we enjoyed several fun outings this month. Our residents participated in a delightful lunch at Olive Garden, followed by a grocery shopping trip to Meijer. The ladies also had a relaxing outing to Super Nails for a pampering pedicure experience.

It was truly a month filled with laughter, great company, and cherished memories.

We are excited to introduce the newest member of the Massey Springs family! Please join us in welcoming Aniston Nicole Goodman. Aniston was born on February 8, 2025, at 4:48 AM, weighing 7 pounds 9 ounces and measuring 20 inches long. Congratulations to the proud parents: Luke and Kayla Goodman!

Resident Spotlight: Pearl Taylor

Please join us in welcoming Mrs. Pearl, the newest resident of our Massey Springs community! Mrs. Pearl was born on October 30, 1935, in Manila, Philippines. Her father, who was in the service, brought the family to the United States when she was just three years old.

She was married to the late Rhea Taylor and is the proud mother of four children: Bonnie, Bob, Terry, and Michael. Additionally, she has six wonderful grandchildren, who bring her much joy.

Mrs. Pearl worked in the insurance business. Her husband was the owner of Blake Hart Taylor and Weisman Insurance Company.

She is also a proud pet owner of two cats, Jack and Jill, who are now cherished members of our Massey Springs family.

In her spare time, Mrs. Pearl enjoys meeting new people, participating in women's clubs, attending church, and most importantly, spending quality time with her children and grandchildren.

We are thrilled to have her as part of our community!
