April 2025 Newsletter

## Last month overview

Last month was filled with some exciting activities both on and off campus. We had several outings, including our Lunch Bunch, where we went out to eat at Rafferty's restaurant. We also took our monthly trip to the grocery store, allowing our residents to do their own shopping at Meijer. The Men's group enjoyed a fun day bowling at Southern Lanes Bowling Alley, while the Women's group went shopping at Greenwood Mall. Since it was also St. Patrick's Day, we embraced the festive spirit. We celebrated the birthday of our very own Audie Rich, who turned 102 – a remarkable milestone not just for him but for anyone who reaches that age. On a Saturday, that most sports are playing, our many Kentucky basketball fans enjoyed, and celebrated their team, by watching a game together, at lunchtime, in our clubhouse. Time really flies when you're having fun!

## Resident Spotlight: James Thomas

We would like to Welcome our Newest resident, Mr. James Thomas. Mr. James was born on May 14, 1945. He does not have any children. He has a wonderful nephew, who has been like a son to him. Mr. James is from Bowling Green and graduated from Alvaton High School. He worked at Warren Rural Electric for 40 years. His hobbies include watching sports; he doesn't have a particular sport or team he follows—he simply loves all sports. He is the youngest of five, with three brothers and two sisters. Among them, he has one living sibling, a brother who is 94 years old. We are so excited Mr. James decided to join our Massey Springs Family and look forward to many days ahead!

## Employee Spotlight: Bobby Penton

Mrs. Bobby is originally from St. Francisville, Louisiana, and has been living in Bowling Green for the past twelve years. She was born on December 12, 1939, and has one son. For the last year, she has been working at Massey Springs, and before joining Massey Springs, she worked at a local daycare called Smart Start.

Mrs. Bobby shared that she truly enjoys working with and being around people since becoming a widow. Her job has helped alleviate feelings of loneliness. In her free time, she loves reading and mentioned that she reads typically about 5 books a week!!! She has been a remarkable ray of sunshine since she joined our Massey family, and it's such a joy having her work for us.

## Goodworks is Celebrating their 25th Anniversary!!!

The number 25 symbolizes:

- A quarter of a century of life
- A quarter of a century of marriage
- A quarter of a century of a job
- A quarter (25 cents)
- Or ... a quarter of a century of loving and caring for our residents and their families!

Ironically, GoodWorks Unlimited became official on April 1, 2000, but it is no April Fool's joke! Over the last 25 years, approximately 8,000 people have trusted us with their lives and their well-being. What a privilege It has been and will continue to be a blessing and honor to care for those who cared for us. Thank you to all who have come through our doors as staff, residents or families. Together, we will continue this special ministry for another 25 years! Ephesians 2:18

Thank you to all of you, because without you this would not be possible. You guys ARE the REASON!!!!
