Massey Springs Senior Living

April 2025

## Last Month Overview

As we continue to embrace our new journey of organizing weekly activities for our Villa residents, we are pleased to reflect on another enjoyable month of events. This month's "Lunch Bunch" outing was held at Rafferty's, with transportation provided via our Massey Springs bus. To ensure that we have ample transportation for future outings, we kindly request that residents who wish to participate contact the front desk and inform Alyson in advance. By doing so, we can better organize our transportation needs and have the bus waiting at the front desk for easy boarding. Additionally, we held a successful Bingo event, which was well-attended and thoroughly enjoyed by all. We also hosted a delightful potluck, where residents contributed a variety of delicious dishes. The event was a wonderful opportunity for residents to share a meal and engage with one another in a relaxed and friendly environment. We look forward to continuing our weekly activities and creating more opportunities for residents to connect and enjoy each other's company. If you have any suggestions for future activities or wish to be included in upcoming outings, please do not hesitate to reach out to us. Your participation and feedback are always welcome as we strive to make each event enjoyable and memorable for all.

## Resident Spotlight: Jeanetta Howell

Mrs. Jeanetta Howell has been a valued resident at Massey Springs for nearly five years. Born on October 4, 1937, in Boyce, Kentucky, she spent her early years on a farm where she fondly recalls working alongside her father and siblings. She believes this experience shaped her into the person she is today.

Mrs. Howell married Joe Howell, and together they had two sons. While Joe worked for the government, Jeanetta dedicated herself to being a homemaker during most of her children's formative years. However, as time passed, she felt a desire to engage in something more, leading her to take a position at JCPenney. She thoroughly enjoyed her time there, particularly because of her love for interacting with people.

In her leisure time, Mrs. Howell enjoys playing cards and has made it a tradition to host a monthly Rook game at her home, where she is joined by a group of five friends. This social activity remains one of her favorite hobbies.

## Reminders

We kindly ask that if you have a dog, please be sure to clean up after them when taking them outside to potty. We have noticed that there are several areas where "treasures" have been left behind.

In our ongoing effort to maintain the cleanest and most enjoyable landscaping for all residents, it's important that we all do our part. This includes cleaning up, not just after ourselves, but also after our pets.

We greatly appreciate your understanding and cooperation in this matter. Together, we can ensure a clean and pleasant environment for everyone.

## Goodworks is celebrating 25 years of business!

The number 25 symbolizes:

- A quarter of a century of life
- A quarter of a century of marriage
- A quarter of a century of a job
- A quarter (25 cents)

Or . . . a quarter of a century of loving and caring for our residents and their families!

Ironically, GoodWorks Unlimited became official on April 1, 2000, but it is no April Fool's joke! Over the last 25 years, approximately 8,000 people have trusted us with their lives and their well-being. What a privilege It has been and will continue to be a blessing and honor to care for those who cared for us. Thank you to all who have come through our doors as staff, residents or families. Together, we will continue this special ministry for another 25 years! Ephesians 2:18
