

Employee spotlight: Alicia Carter

I was born and raised right here in Bowling Green, KY. I graduated from Greenwood High School in 2001 and the next year I married my best friend, Greg! We have three children. Wesley (22), Tanner (19), and Hayley (17). I have done a wide range of things for work including: being a florist for 12 years (2 of which was owning my own business), DSD Manager of a grocery store, health insurance referral and claims customer service agent, leasing agent for a rental company, and now I am here at Massey Springs.

Some of my favorite things to do are taking walks, going to the lake and/or beach, doing monthly adventures with my family, cooking, and finding a good deal! I love to be outside whenever possible so I spend much of my time off outside doing something.

I truly believe that God brought me here and I can not wait to see how this chapter of my life plays out with each of you!

Employee Spotlight: Ashleigh Jaggers

I was raised in Franklin, KY and graduated from Franklin-Simpson High School, go Wildcats! I have been with my husband Curtis for 17 years and we have three beautiful children. Gabe (17), Khloie (15), and Connor (12). For the last 5 years I have been working from home doing medical and life insurance authorizations and referrals. While I have enjoyed being home with my family, it was time for a change. On my days off I enjoy spending time with my family, reading, cooking, and enjoying the sunshine. I am so excited to make new friendships and learn about each and everyone of you all within this wonderful community at Massey Springs. I hope to make days here a little brighter and I am always open for suggestions or feedback.
