RESIDENT SPOTLIGHT

Our resident spotlight for this month is Nelda Everett.

Nelda is from Greenville Kentucky. She met the love of her life, the late Bobby Jean in the grocery store her sister ran! A short time later they were married and celebrated 67 years together. Nelda and Bobby moved to Russellville Kentucky in 1965 where they lived for many happy years.

Through out the years Nelda worked at Emerson in Russellville. She retired after 34 years of loyal service. In-between working Nelda had a lot of hobbies that included reading and tending to her garden in the summer time. She loved feeding and watching the humming birds. Nelda is also a big cat lady, she would always make sure that even stray cats would have a meal to eat. Nelda loves Massey Springs because she has made many new friends and everyone is so nice!

Employee Spotlight

Our employee spotlight for this month is our nightshift KMA Megan

Megan is a native of Blowing Rock, Kentucky. She is a graduate of Greenwood high school and has one daughter who is a freshmen this year.

Megan is a very crafty person when it comes to crocheting and cooking new meals, and if you ever need your hair done just ask because she is a hair stylist! It wouldn't be unusual if you found her with a book in her hand preferably Harry Potter, she also loves sports!

Megan loves Massey Springs because from day one it has always been a family like environment from the staff to the residents, and family's. She knows when she has questions someone is always there to lend a hand.
