RESIDENT SPOTLIGHT

Our resident spotlight for this month is Shirley Farris. Shirley is from Columbia Ky. That is where she met her husband of 54 years Kenny. They have two daughters Shawna and Shelly and one granddaughter Kenner. Shirley was a very dedicated school teacher for 27 years working in Adair county. She taught kindergarten first then decided later on to go teach fourth and fifth grade.

Shirley had many hobbies that included collecting milk glass. and she love to go out antiquing!

Shirley loves Massey Springs because of all of the love and kindness everyone shows her and her family.

EMPLOYEE SPOTLIGHT

Our employee spotlight for this month is Amanda. She is the activity assistant and our evening shift RA. She is originally from Princeton, Ky and has just recently moved to Bowling Green in March of 2024. She lives with her fiancée Quinton. Amanda has two boys who she dotes on quite often. Cole is 19, and Drayden is 17.

Amanda has been in the medical field working with people with dementia for over ten years. She loves this field so much that she is currently enrolled in Ross medical college. She can't wait to get her medical assistant degree.

Amanda started working at Massey Springs back in September of 2024 and from the very start she fell in love. She loves being a part of the residents' lives, and giving them a purpose.
