

Employee spotlight: Shelaniece Louise

Shelaniece was born in Chicago, Illinois and raised in Detroit, Michigan before moving to Kentucky in 2017. She is a mother of five and a grandmother of five. In her free time, she enjoys doing psychic readings and tarot cards. Her dream is to become a spiritual life coach. Shelaniece has been an invaluable member of our team for over four years, consistently demonstrating exceptional attentiveness and compassion towards our residents. Her dedication truly makes a positive impact on their daily lives, and she is genuinely loved by all. On a lighter note, you might be interested to know a fun fact about Shelaniece: she breeds snakes! She even brought a few of her snakes to Massey Springs recently to share with our residents, which was a huge hit. The residents absolutely enjoyed seeing them, and Shelaniece is planning to bring them back for another visit very soon.

Resident Spotlight: Alice and Charles Jessen

Alice and Charles Jessen, two of our wonderful residents, just celebrated their 63rd wedding anniversary! It's an incredible milestone and a testament to their enduring love.

We are so fortunate to have Alice and Charles with us. They are truly remarkable individuals who consistently go above and beyond to support both our staff and other residents. They are wonderful listeners and always have the most engaging stories to share if you have the opportunity to sit down and chat with them.
