So much fun to look back on We had a great time at Harpers for our lunch bunch, then we went on a bus ride to Chaney's Dairy Barn for National Milkshake Day. Our employee spotlight for this month is our dayshift RA Carrie. She is from Cross Plains, Tennessee, but now lives here in Bowling Green with her son, Jamison. Carrie has been working in the medical field for over 15 years. She is a Medical Assistant and loves working with the elderly. She likes to cook, she is always trying new recipes, and she loves to travel. Her favorite place to go is Maine, because of the beautiful beaches. Carrie loves Massey because of the people she works with and all the relationships she has created with the residents and their families.

Our resident spotlight for this month is Evelyn White. Evelyn is from Boyce, Kentucky, but she spent most of her adult life in Bowling Green with her husband of 50 years, Louis White. Evelyn has three children and eighteen grandchildren, as well as many great-grandchildren. She takes pride in having a large family and loves spending as much time with them as possible. Evelyn is also a very dedicated worker, having worked for Union Underwear (Fruit of the Loom) for 40 years. Evelyn has many hobbies, including tending to her flowers and cooking (She is especially known for her chocolate pies.) She loves to play the piano and sing. She loves Massey because she has made so many new friends, and she enjoys all the adventures we have.
