

Villa Newsletter

September
2025

I wanted to share a quick recap of the wonderful activities we enjoyed together this month. We had a fantastic outing to El Mazatlán, where we all savored some delicious Mexican food and had a great time together. We also had a lively bingo game, and it was so much fun not only playing but also seeing everyone win some great gifts! To top it off, our Pot Luck was a huge success, filled with an amazing array of dishes and even better company, allowing us all to connect and get to know each other a little better. It's been a truly enjoyable month of community and good times. I can't wait to see the fun we endure in September!

Upcoming Events

Reminders

**National Assisted Living week Sept 7th–
Sept 13th. We are now accepting candy
donations for Halloween! After seeing how
many we had come through last year, we
will need a large quantity of candy! We
also need a few volunteers for our first
responders lunch, if you are interested
please reach out to me! Last but not least,
please save any paper towel or toilet paper
rolls and drop off to the front desk to help
us out with our Halloween decorations.**

Resident Spotlight: Michael Hite

Michael was born and raised in Lexington until he was 16. He then moved to Burchtown, where he met his wife, Diane. They married when he was 19 and were together for 49 and a half years before she passed away. In 2000, Michael moved to Anderson, Indiana, where he worked doing Sprinkler Inspections and then General Motors, which led him to working in Bowling Green, KY. He has two boys and four grandkids, all of whom live in Indiana. Outside of work, Michael enjoys collecting shot glasses and is a big UK fan. He was also part of one of the first groups to start playing pickleball in Kentucky. Currently, he volunteers his time at Saint Vincent's food pantry.

Employee Spotlight: Lake Young

Please join us in extending a warm welcome to Lake Young, our newest maintenance man! We're thrilled to have him join the Massey Springs Senior Living family. Lake was born and raised here in Bowling Green, Kentucky. He is a 2025 graduate of Warren Central and is currently pursuing his degree as an electrician at SKYCTC. Outside of his studies and work, Lake enjoys fishing, hiking, and spending quality time with his girlfriend, Hayley. We're confident that Lake's skills and enthusiasm will be a great asset to our team. Please take a moment to introduce yourselves and help him feel at home if you see him out.
