

Resident Newsletter

September
2025

This month has been filled with wonderful adventures and memorable moments for all of us! We truly enjoyed our outing to Harper's in Scottsville, KY, where we savored some delicious catfish together. It was a fantastic culinary experience that everyone seemed to enjoy. We also had a fun and productive shopping trip to Meijer's, where many of you found some great items. In addition to our excursions, we had another delightful fishing trip to Three Springs Park, which was a relaxing and enjoyable time for our anglers. To top it all off, we treated ourselves to some delicious ice cream at Chaney's Dairy Barn, which was the perfect sweet ending to our recent activities. We're so glad we could share these experiences with you all.

Monday Sept 8th– Pajama Day
Tuesday Sept 9th– Crazy Hair Day
Wednesday Sept 10th– Decades Day
Thursday Sept 11th– Favorite Team Day
Friday Sept 12th– Massey Spirit Day

Resident Spotlight: Ramona Moore

Ramona is incredibly family-oriented, which is something we truly admire about her. She was married for over 63 years before her husband passed away, and together they raised 6 children, though sadly two have passed away. Her strong family ties are a significant part of who she is.

Before her retirement, Ramona worked at the Union Underwear Company for 16 years. Now, she enjoys a variety of hobbies including playing bingo and other games, getting her nails painted, reading, and, of course, spending quality time with her children. We love seeing her enjoy these activities, and they are a great way for her to stay engaged and happy.

Employee Spotlight: Lake Young

Please join us in extending a warm welcome to Lake Young, our newest maintenance man! We're thrilled to have him join the Massey Springs Senior Living family. Lake was born and raised here in Bowling Green, Kentucky. He is a 2025 graduate of Warren Central and is currently pursuing his degree as an electrician at SKYCTC. Outside of his studies and work, Lake enjoys fishing, hiking, and spending quality time with his girlfriend, Hayley. We're confident that Lake's skills and enthusiasm will be a great asset to our team. Please take a moment to introduce yourselves and help him feel at home if you see him out.
