Reminders

Every Sunday afternoon at 3:30pm, there is a bible study in the Club House which is open to all Villas and Assisted Living Residents.

Monthly Recap

In February, we enjoyed a lovely "lunch bunch" outing to Olive Garden. The food was excellent, and the company was even better.

We also had a great time playing BINGO and handing out prizes. If you missed it, we would love for you to join us next time. We host Villa Bingo every third Wednesday of the month in the Clubhouse.

Finally, thank you to everyone who attended our monthly potluck. It was a wonderful turnout, and I truly enjoy getting to know each of you as we continue to build our community.

RESIDENT SPOTLIGHT

Gary and Sandra Smith were married for 58 wonderful years, raised two daughters, and were proud grandparents to two grandchildren. They moved to Massey Assisted Living in October. Gary went to be with God in January 2026. He is truly missed by all. Sandra dedicated 41 years of her career to the Kentucky Bureau of Insurance before her retirement. In her leisure time, she enjoys reading and previously had a passion for sewing. Gary also had a long and fulfilling career, working at a flower shop for 41 years. Together they had truly built a rich life, marked by enduring love, dedicated careers, and cherished hobbies. Sandra is staying with the Massey community and moving into a Villa at the end of March or beginning of April. Please give her a warm welcome when you see her around!

EMPLOYEE SPOTLIGHT

Carla Cavin has been a dedicated member of the Massey Springs team for nearly four years. Currently serving as an Assisted Living Resident Assistant, she began her career in memory care, as dementia patients hold a special place in her heart. Carla is a 2010 graduate of Daymar College with a bachelor's degree in Business Management. Outside of work, she is a proud mother of two grown children, ages 21 and 22, and has recently taken on the role of caring for her great-nieces and nephew, ages 1, 2, and 3. She truly cherishes the time she spends with her family. When asked about her favorite part of working at Massey Springs, Carla noted the atmosphere and the abundance of love, stating that it feels just like family.
