Monthly Recap

In March, we enjoyed a wonderful "lunch bunch" outing to Burger King, where the burgers and fries were delicious. We also had a successful shopping trip to Meijer and a visit to the Vette City Antique Mall. During our visit, we spent time reminiscing about the "good old days" and participated in a fun scavenger hunt. In addition to these outings, we enjoyed many other activities and snacks throughout the month.

Reminders

Our Family Easter Egg hunt is coming up this Friday, April 3rd at 4pm. Also, Prom is just around the corner on Friday, April 17th at 6pm.

MASSEY SPRINGS

APRIL 2026

RESIDENT SPOTLIGHT

Please join me in welcoming our newest residents, Joe and LouVenia Duvall, to Massey Springs.

The Duvalls have three daughters and two grandchildren. Joe recently joined us following a thirty-year career as a high school teacher, after which he spent several years working as a guide at Mammoth Cave. LouVenia grew up on a farm and later retired from a career as a waitress. Together, they have enjoyed traveling to many different locations.

We are happy to have them as part of our community.

EMPLOYEE SPOTLIGHT

Sherri McKeel is a graduate of Franklin-Simpson High School and Western Kentucky University, where she earned a Bachelor's degree in Business Management. She truly enjoys connecting with our residents, particularly listening to their stories and sharing in their laughter. Her favorite aspects of her role are being part of a great team and building meaningful relationships with those she cares for.

On a personal note, Sherri lives in Franklin with her dog, Stella. She is a mother of two grown sons and, in her free time, she enjoys thrifting, reading, and spending time with her family.
