

MASSEY SPRINGS JUNE 2026 ASSISTED LIVING NEWSLETTER

Monthly Recap

June was a wonderful month! We enjoyed our lunch bunch outing to Harper's Catfish, where the food and company were both excellent.

We stayed busy with various singing groups, cleaning up the courtyard, and planting and maintaining our peppers, tomatoes, and flowers. We also enjoyed numerous activities, including outdoor fun and a cookout at the pavilion.

We would like to congratulate our Director, Abby Coursey, on the exciting news that she is expecting her second baby boy in October 2026!

Ashleigh will be on vacation from June 18-24th, I will not be available during this time, but activities will still be going on. I will miss you all!

Employee Spotlight

Please join me in welcoming Avery Sanford, our newest intern, to the Massey team! Avery is originally from Frankfort, KY, and recently graduated from WKU with a bachelor's degree in Healthcare Administration. In her free time, she enjoys exploring new coffee shops and spending time with her three brothers and her cat, Stormy.

Avery is excited to spend her summer with us. So far, her favorite parts of the internship have been the activities and our open, welcoming environment. In the future, she hopes to work with the special needs community or serve as a patient advocate. Please give Avery a warm welcome when you see her!

Employee Spotlight

As one door closes, another opens. Alyson Ouellette has decided to step down to return to her role as a stay-at-home mother. She will be missed and we wish her the very best.

In her place, Erin Payne has accepted the role of Resident Service Director. Many of you may remember that Erin joined us in the summer of 2025 as an intern, transitioned into a Resident Assistant role, and is now stepping into this new leadership position.

We know she will continue to be a valuable asset to our team. Please join us in welcoming Erin to her new role.
