

THE HAVEN NEWSLETTER

July 2026

Back Track To June

We have had such a busy and fun month here at the Haven!

We had a wonderful time enjoying lunch at Rafferty's and exploring campus on our golf cart. Another highlight was visiting the West Brook Farms Petting Zoo, where we had lots of fun with the animals. With so many great memories already made, we can't wait to see what fun and adventures July will bring!

Reminders

Please check the lobby mailboxes and keep an eye out for emails about our sweet residents and upcoming activities. If you would like to join us on any of our outings, please call or email Jenny! Also, we will be having a carnival fundraiser for the Alzheimer's Association on July 10th. There will be games and prizes, a dunking booth, and if you donate, you get a plate full of delicious food.

Upcoming Events

- Rock & Roll Party 7/7 @ 1:00pm
- Carnival Fundraiser 7/10
- Lunch Bunch @ Chaney's 7/14 @ 11:30am
- Resident Council Meeting 7/17 @ 1:00

SPOTLIGHTS

Resident: Rosa Hughes

Rosa has lived a life centered on family, hard work, and caring for others. She was married to her late husband for 69 years, and together they owned and operated a dairy farm, where Rosa worked faithfully by his side as his right-hand woman. Together, they raised two sons and built a life rooted in dedication and love.

As a homemaker, Rosa enjoyed gardening, canning, and baking. Her homemade yeast rolls became a favorite among family and friends, often bringing everyone together around the table. She also loved sewing and needlepoint and was talented enough to make many of her own clothes.

For many years, Rosa served as a Sunday school teacher, sharing her kindness and patience with generations of children. Rosa loves Massey Springs because it feels like home, and she loves all of her caring staff.

Employee: Jessica Smith

Jessica is from Owensboro, Kentucky. As the daughter of a military father, she moved frequently throughout her childhood, which taught her adaptability and resilience. Today, she is a proud mother of three children who are the center of her world and her greatest inspiration. She finds joy and peace in nature through camping and gardening, which help her reconnect with and appreciate life's simple pleasures. Driven by a passion for personal growth and helping others, Jessica will return to school this fall to pursue an Associate of Science degree and work toward earning her RN license, taking an important step toward a rewarding career in nursing.
