

THE HAVEN

NEWSLETTER

BACK TRACK TO JULY

What a fun and exciting month we have had here at the Haven! We had to get down and boogie at our national day of rock and roll party, and we had a blast at our carnival and we raised almost 4 grand for the Alzheimer's Association. Then we decided to chow down at chaneys dairy barn for some great burgers. We have done so many new and great things this month we are on our toes to see what August brings us.

UPCOMING EVENTS

Spotlights

Our resident spotlight this month is Jeanette Coates. She has spent her life making a positive impact on those around her. She was married to her late husband, Jean, for 40 wonderful years. As the youngest of five children, she was also the first and only member of her family to attend college, earning her degree from Lindsey Wilson College. She dedicated her career to AT&T, where she began working as a switchboard operator and eventually became a respected supervisor. Although she was the boss, she was admired for her kindness, fairness, and the genuine care she showed her team. After retiring, she enjoyed traveling and exploring new places, but Bowling Green has always been home, and she never wanted to live anywhere else. One of her greatest joys was bringing smiles to others by dressing up as a clown and visiting nursing homes. She loves Massey springs because of all the great new friends she has made and the food is delicious.

Our empolye spotlight for this month is Jeanette Akili. Originally from Tanzania, Africa, she is the oldest of six siblings and has called the United States home for the past 10 years. This fall, she will attend Western Kentucky University to pursue her Registered Nursing (RN) degree, with the goal of becoming a pediatric nurse. She enjoys learning new languages, traveling, and experiencing different cultures. She loves being part of the Massey Springs family because of the meaningful relationships she builds with the residents. Spending time with them, hearing their stories, and creating lasting connections is one of her greatest joys.
