Resident Spotlight:

Jim and Carolyn Tidmore, are celebrating nearly 65 years of marriage together! Jim is a retired entrepreneur who successfully ran several businesses, including a glass company and a few different restaurants. Carolyn brought her warm heart to a hospital's business office before retiring. They absolutely cherish their beautiful family, which includes 2 children, 3 grandchildren, 6 great-grandchildren, and 2 great-great-grandchildren. When they aren't spending time with family, Carolyn loves to hit the dance floor anywhere music is playing, while Jim enjoys a good game of pool and snooker. A really neat fun fact about Jim is that he used to own and pilot his very own plane!

Baylee shared that she loves how welcoming and friendly everyone has been since she started at Massey. Let's continue to make her feel at home, so please be sure to say hello when you see her around!
