# SPOTLIGHTS

Helen Holland was married to Don Holland, and together they lived in Campbellsville, London, and Monticello, Kentucky. Helen worked as a home economics teacher and has always enjoyed staying busy with things she loves.

She has a love for gardening and flowers and even had her own greenhouse. When she isn't working with her plants, you can often find her enjoying a good book or working on a creative project.

Family is very important to Helen. She has three children, two grandsons, and six great-grandchildren who knows her as "Hottie". She enjoys spending time with her family and finding joy in the things that mean the most to her.

Alicia Carter is our Administrative Assistant. She graduated from Greenwood High School in 2001 and has been married to her husband, Greg, for 25 years. Together, they have three amazing children who mean the world to her.

In her free time, Alicia enjoys going to the beach, spending time outdoors, and being with her family. She also loves shopping and, especially, cooking for others. Working at Massey Springs is everything that Alicia prayed for and she loves all of the residents and her coworkers.
