Massey Springs 2026

October was a fantastic month filled with activities! We truly enjoyed our Lunch Bunch outing to Rafferty's, which was delicious, and a fun trip to Jackson's Orchard. While there everyone got to enjoy a haybale ride, enjoy tasty treats, and see various animals. We embraced the Halloween spirit with many fun activities, including painting spooky rocks, making scarecrows, cookie decorating, baking pumpkin muffins, and carving pumpkins.

The celebrations continued on Halloween Day and night with scary donuts, popcorn and a movie, and the best part—seeing all the children came in to admire our decorations and trick-or-treat for candy. We had so many children come Trick-or-Treating along with numerous adults along side them! It was so much fun! I can't wait to see what fun November brings!

Resident Spotlight: Hermann Betker

Please help us in welcoming our newest resident, Hermann Betker. Hermann, and his wife, Edelgard have been married for over 62 years. They originally met in Germany as young adults before moving to the US, and together they have two daughters.

Hermann retired from General Motors, where he worked in maintenance and general trade. In his free time, he enjoys watching the news, reading about history, and playing Uno with Edelgard.

Hermann mentioned how nice everyone has been since they moved to Massey, so please join me in continuing to give him a warm welcome!

GREAT FRIENDS, GREAT LAUGHS, AND YUMMY FOOD

We would like to congratulate our Director Abby Coursey on the newest addition to her family!

Silas Jack Coursey was born on 10/16/26 weighing 7lbs 11oz and 20 in long. Thank you for all your prayers, Mom and baby are doing Great!
